Brand New DALI SUB K-14 F

New DALI SUB K-14 F

- Adding extra punch in the very deep bass

Whether the task is to fill the room with stereo music or to feel the subtle tremor from a movie soundtrack the new DALI SUB K-14 F will deliver!

Build around a 14" aluminium long stroke woofer and with a 500 watts class D amplifier the DALI SUB K-14 F has the power and the control for both impressive movie- and delightful music reproduction. Connect the sub to your amplifier through LFE or line-out, and prepare to be pushed down in your seat.

- 14" aluminium long stroke woofer
- 500 watts class D amplifier
- Solid aluminium base
- White or black cabinet
- High gloss white or black front baffle
