

IN ADMIRATION OF MUSIC

HELICON 400 MK2

HELICON 400 MK2 throws down the gauntlet, challenging loudspeakers well beyond its price class to step up to the outstanding level of performance and styling on offer here.

HELICON 400 MK2 is a highly refined fusion of exquisite exterior design and innovative proprietary driver and cabinet technologies. And, above all, it is a musical instrument of extraordinary grace and power.

The exceptional beauty and sculptural elegance of this floorstanding work of art is worthy of a place in the finest interiors, where it will bring your most treasured movies and music to life as you have never heard them before.

Where space is at a premium, HELICON 400 MK2 is the ideal choice for music and movies in small to medium sized rooms.
