

Connect-it Power Cable 16A

Audiophile power cord (high current)

- Especially for use with Audio equipment
- Magnetic shielding
- C19 high current connector
- Superior audiophile connectivity (polyamide / nylon)
- 2,5mm² pure copper cabling (crimped, not soldered)
- 16 Ampere continuous power surge
- Perfect in combination with Connect-it Power strips 16A
- Handmade in EC

INPUT PLUG OPTIONS:	EU, France-CZ, UK, US (Rongkuang)
OUTPUT:	C19 High Current (Rongkuang)
VOLTAGE:	100-250 Volts 50/60Hz
CABLE DIAMETER:	3x 2,5mm ² NKT
CURRENT (continuous):	16 Ampere
LENGTHS:	1,0m 1,5m 2,0m 3,0m

Maximize audio performance of your hi-fi components!

Connect-it Power cords 16A optimize the connection between your components and power sockets. It is also the perfect upgrade for Connect-it Power 16A power strips. Corrosion-free connectors guarantee best power transmission and the pure copper wire utilizes advanced geometry to avoid electro-magnetic interference.

Following lengths are available:

1,0 m €149,00 1,5 m €169,00 2,0 m €189,00 3,0 m €209,00
