SWELL

Portable High-Fidelity Bluetooth® Speaker

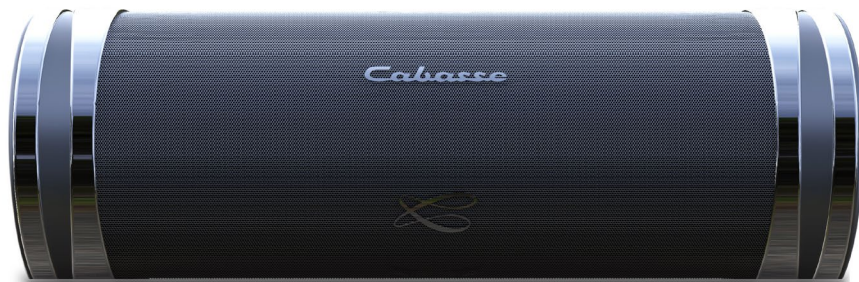

Sound of Freedom

COMPACT FORMAT, POWERFUL ACOUSTICS EITHER SOLO OR DUO

Discover the purity and dynamics of "Cabasse Signature Sound" – over 67 years of acoustic expertise – packed into a compact speaker. Built with a state-of-the-art digital amplifier and fine-tuned in Cabasse studios in France, SWELL is one of the most powerful and well balanced HiFi Bluetooth portable speakers on the market (precision ranging from rich bass to high tones).

Connect your smartphone or tablet in Bluetooth with NFC technology, explore your playlists, listen to your favorite web radio or directly plug in your devices to SWELL.

Stereo Mode: You can pair up to 2 SWELL for 120W of power in stereo or Party Mode. Take advantage of the unlimited possibilities for listening to your favorite tunes everywhere without compromise in quality of acoustics.

ROBUST & LUXURIOUS DESIGN

SWELL is a "jewel" of a speaker that will become an integral part of your home decor thanks to its Black and Gold Chromium rings. Its sturdy structure and metallic grill offer resistance

and durability making it the perfect travel companion. The acoustics are further enhanced by luxurious design Made in France.

HOURS OF MUSIC, ANYWHERE, EVERYWHERE

Compact and easy to carry, SWELL follows you everywhere at home or while traveling. Its lightweight (750g) makes it the perfect speaker to carry anywhere.

With the SWELL Bluetooth speaker, you have up to 10 hours of non-stop music on battery power. Listen to your music without boundaries.
